ASSEMBLY INSTRUCTIONS

Time to Complete: Approximately 20 minutes · Level: Medium

GETTING STARTED

Materials:

- Heavy card stock
- Scissors
- Butter knife
- Metal-edged ruler
- Multipurpose glue
- Paper towel tube

- 1 Score all the pieces: Using a ruler as a guide, run the back side of a butter knife firmly along all the dotted and dashed lines.

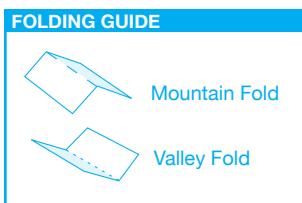

- 2 Using scissors, cut along solid lines of all mask pieces.

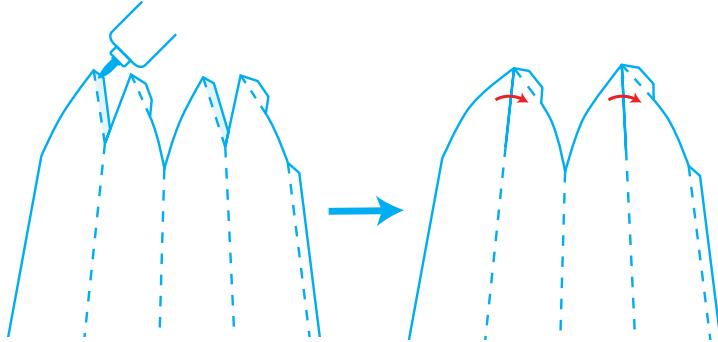

ASSEMBLE YOUR SWORD

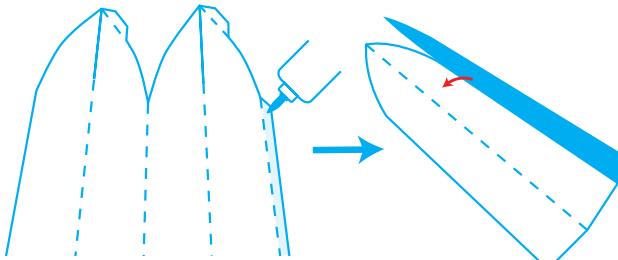

- 3 Fold dotted lines into mountain and valley folds as indicated by dotted or dashed lines.

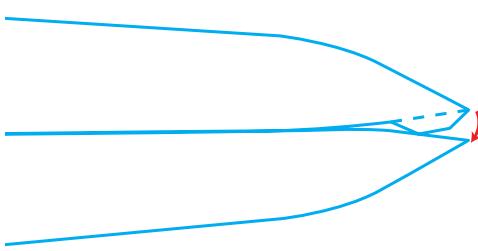

- 4 On the blade, pull edge of the cut line over to cover tab A and glue. Hold firmly until dry. Repeat with remaining A tab.

- 5 Fold over and glue the left side of the blade to tab B.

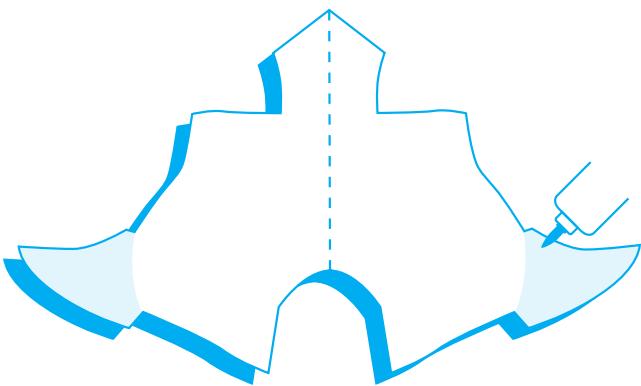

- 6 Put a dab of glue on the two tab Cs and press the tip of the blade shut. Hold until glue dries.

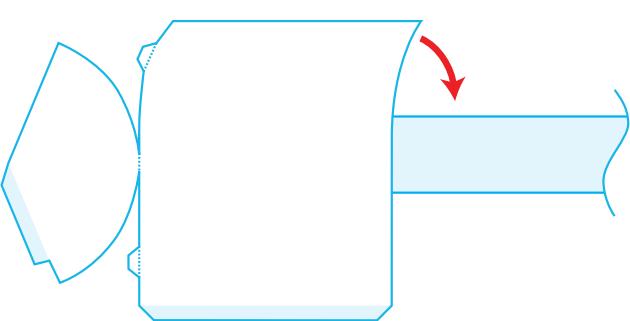

ASSEMBLE YOUR SWORD (continued)

- 7 Apply glue to left and right tips of one of the guard pieces and attach to the other guard piece.

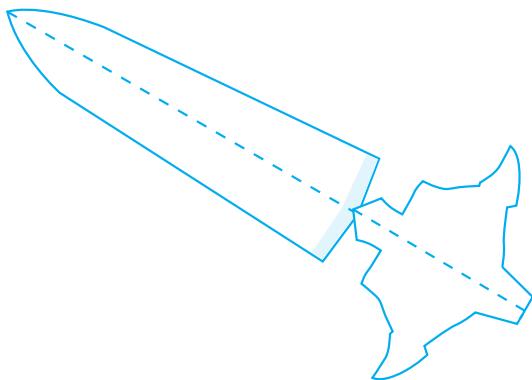

- 8 Take your paper towel roll and wrap the grip piece around it. Apply glue to the D tab and hold in place.

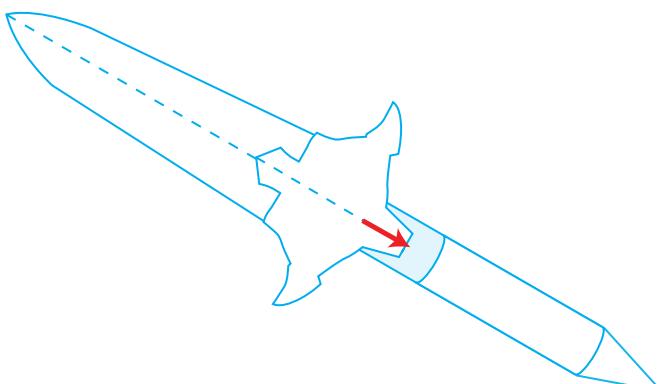

- 9 Apply glue to tab E on the cone and, closing the pommel, glue in place. Glue the F tabs on the grip inside the cone.

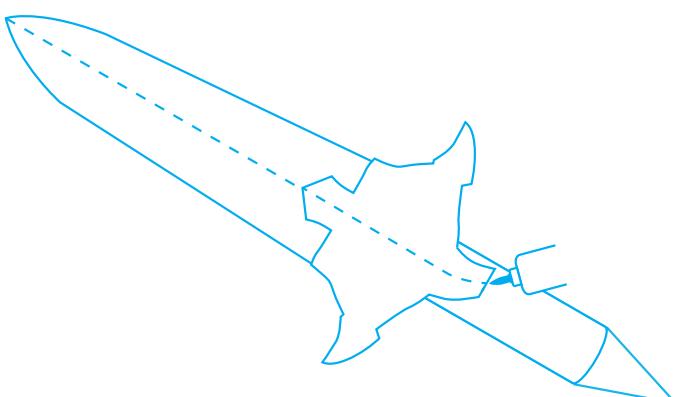

- 10 Take your finished blade and apply glue to the shaded area at the base. Slide the guard over the bottom of the blade and attach the pieces together with the glue that was applied to the blade. Hold in place and allow to dry.

- 11 Slide the entire blade and guard assembly over the paper towel tube until it is snug.

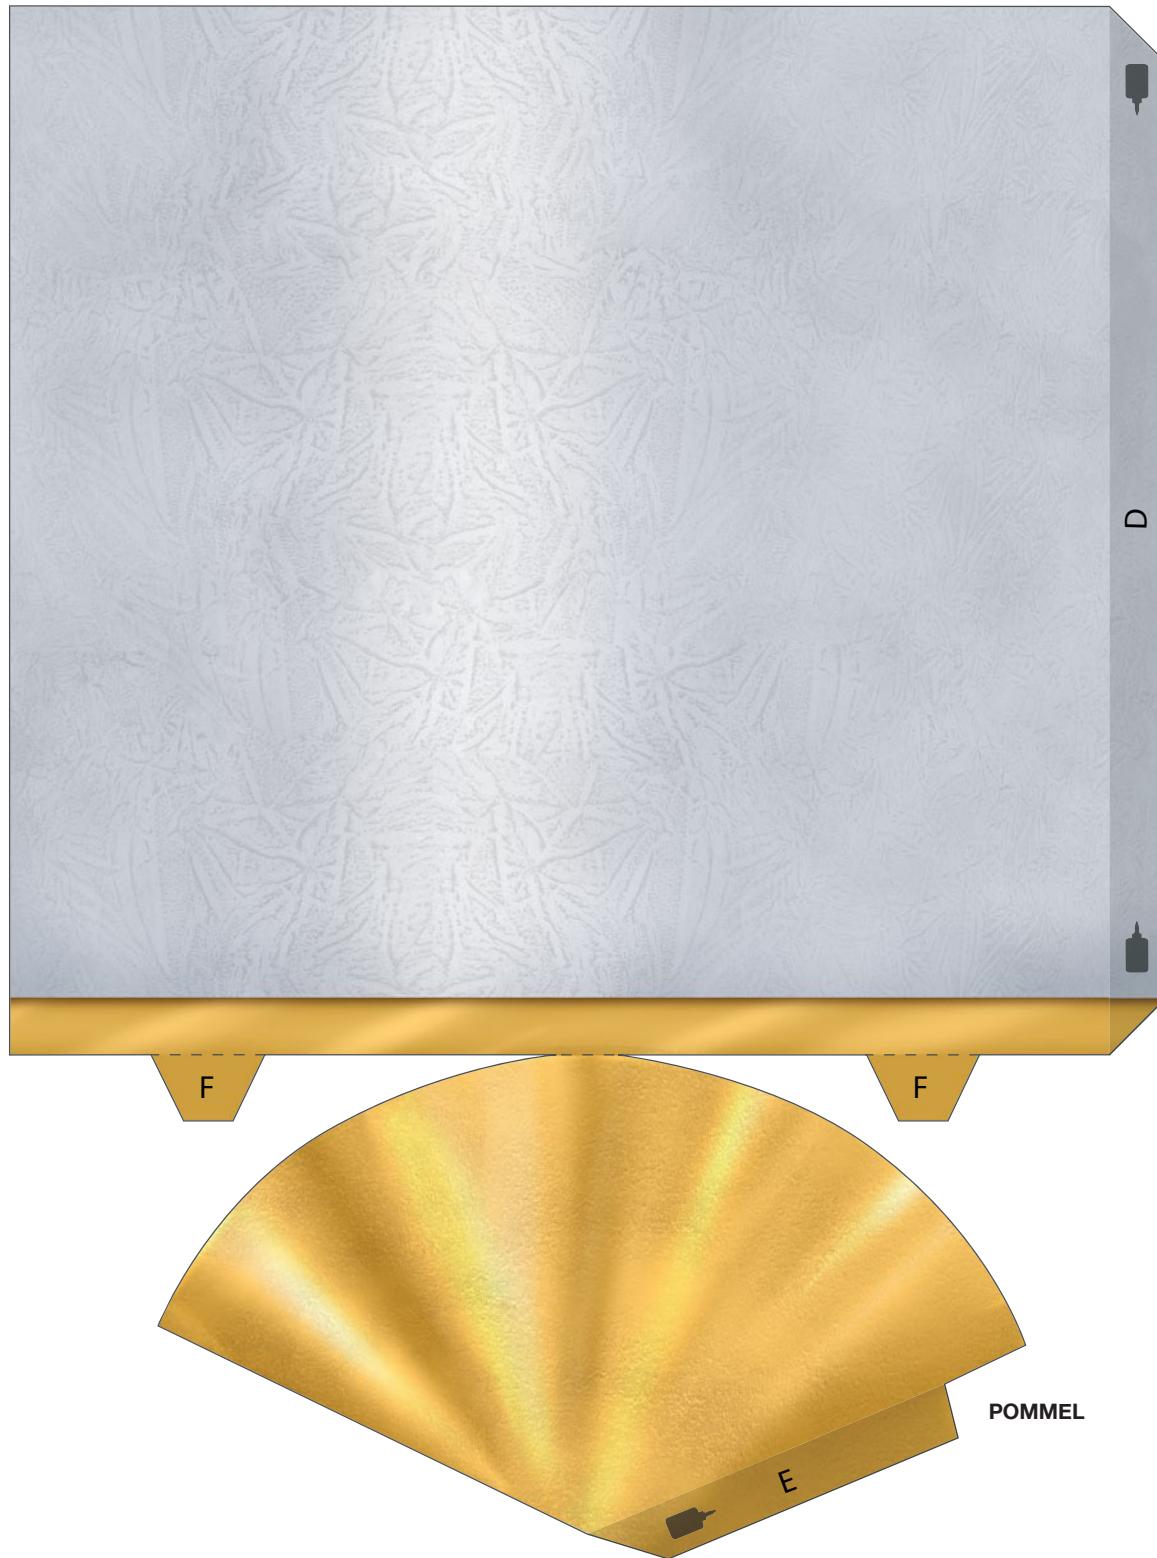

- 12 Finally, lift the bottom edge of the guard and apply a bit of glue to attach to the grip. Repeat for the reverse side.
